INVITATION TO PARTICIPATE IN NEW MEXICO GAS COMPANY'S IRP PROCESS

ALBUQUERQUE, N.M. – Members of the public are invited to a workshop-style meeting as part of development of New Mexico Gas Company's Integrated Resource Plan (IRP), which examines future load forecasts and other issues.

This public advisory meeting will provide New Mexico Gas Company an opportunity to receive input from the public.

WHAT: Integrated Resource Plan public meeting

WHERE: New Mexico 811, 1021 Eubank Blvd. NE, Albuquerque, NM, 87112

WHEN: 10 a.m. on Friday, June 23

New Mexico Gas Company will provide information on load forecasts, evaluation of existing gas supply and customer demand, identification of resource options, examination of price volatility and the general attributes of additional resources. NMGC also will provide modeling and price assumptions leading to the development of a cost-effective portfolio of gas utility resources for the future. There will be future public meetings as well.

Details regarding the IRP process and the public advisory meeting are available on NMGC's website, [www.nmgco.com/Regulatory Filings](http://www.nmgco.com/Regulatory_Filings).

NMGC will file its IRP with the Public Regulation Commission early next year.

###

About New Mexico Gas Company

As the largest natural gas distribution utility in the state, New Mexico Gas Company (www.nmgco.com) provides service to more than 540,000 homes and businesses and about 1.3

million people throughout New Mexico. The Company has more than 700 employees in 26 offices, who are responsible for safely and reliably operating more than 12,000 miles of pipelines across the state. New Mexico Gas Company is a subsidiary of Emera Inc., an expert team of utility and energy services companies serving 2.5 million customers in the U.S., Canada and the Caribbean. Emera is headquartered in Halifax, Nova Scotia.
