x

Customer may, at its sole discretion, request the Company to construct and operate a CNG station on Customer’s property.

- 1. The capital costs of the station shall be recovered through a Station Investment Charge applied on a per therm basis to all therms. A Customer electing this option shall enter into a Service Agreement for a term of 10, 15 or 20 years and shall be subject to a minimum annual volume during the term of the agreement as follows:

x
x
x

<u>Term</u>	<u>Minimum Annual Volume</u>
10 Years	653,000 therms multiplied by the initial capital costs of the station divided by \$1,000,000
15 Years	509,000 therms multiplied by the initial capital costs of the station divided by \$1,000,000
20 Years	442,000 therms multiplied by the initial capital costs of the station divided by \$1,000,000
